

Anunt Leasing Aeronave

Compania TAROM anunta inceperea procedurii de achizitie a 3 (trei) aeronave de tip widebody prin intermediul unei operatiuni de leasing (financiar, operational, etc), de preferinta in conformitate cu urmatoarele caracteristici:

<u>Caracteristici:</u>	<u>Detalii:</u>
Tipul aeronavelor	Widebody, echipate cu 2 motoare, "sisterships", generatie actuala
Capacitate	aeronave cu cel mai mic cost posibil de combustibil pe cursa si/sau pe loc oferit
Range	Numar de locuri intre 225 si 270, in doua sau trei clase (toate aeronavele oferite in configuratie similara)
Vechime	Minimum 5,200 nm
Interior	Nu mai vechi de anul 2012, cu cel mai mic cost posibil de mentenanta si cea mai scurta durata de imobilizare a aeronavei in lucrari de intretinere tehnica programata
Dotari	In-flight entertainment, wi-fi, scaune cu tapiterie tip piele
Zona cargo	Aeronavele sa fie echipate cu zona de odihna pentru echipaj
Conformare	Compartiment cargo de tip bulk ventilat si controlat termic
Disponibilitate aeronave	EASA/ FAA
Termeni	In conformitate cu disponibilitatea pietei
	Negociabili

Criteriile pentru evaluarea ofertelor vor include, pe langa altele, pretul, posibilitate de finantare (daca este aplicabil), gradul de integrare al aeronavelor in structura actuala a flotei, suportul initial oferit pentru introducerea in serviciul comercial.

Ofertele trebuie transmise catre TAROM in regim de urgenta, pana la data de 31.08.2017, prin e-mail la adresa aircraft@tarom.ro. De principiu, acestea mai pot fi transmise si ulterior acestei date pana la momentul retragerii anuntului de pe site-ul TAROM.

Pentru clarificari si oferte avem rugamintea sa va adresati echipei de evaluare la adresa de email: aircraft@tarom.ro.

Aircraft Lease announcement

TAROM Company announces the start of the procedure for the acquisition of 3 (three) widebody aircraft by way of lease (financial, operating, etc.), according to the following preferred characteristics:

<u>Characteristic:</u>	<u>Details:</u>
Aircraft type	Widebody, equiped with 2 engines, sisterships, current generation design airframe with lowest possible fuel cost per trip and/or per seat
Seat capacity	Between 225 and 270 seats in two or three classes (all aircraft offered in similar configurations)
Range	Minimum 5,200 nm
YOM	Not before 2012, with lowest possible maintenance cost and days out of service
Interior	In-flight entertainment, wi-fi, seats covered in leather or leather type
Features	Aircraft to be equiped with rest area for crew
Cargo capabilities	Ventilated and temperature controlled bulk cargo compartments
Compliance	EASA/FAA compliant
Aircraft availability	Market availability
Terms	Negotiable

Criteria for evaluating the offers will include, among others, price, available financing (if applicable), degree of integration of the aircraft into the existing fleet structure, introductory support offered for entry into the commercial service.

Offers must be sent to TAROM urgently, until 31.08.2017, by e-mail at aircraft@tarom.ro. In principle, the offers could also be sent after that date, until the announcement withdrawal from TAROM website. For clarifications and offers please contact our evaluation team at aircraft@tarom.ro
